DEDICATION

We, The Forty Niners of Olmsted Falls School, dedicate our yearbook, the Senorio, to Olmsted Falls, Ohio, which we think is the best place in the world for young people to live.

A salute to the Class of 1949! Lest memories of high school days slowly fade and become fused with the vague panorama of the past, they have prepared this yearbook to preserve in all their vividness both the permanent and evanescent joys of their high school careers.

May the Senorio be a source of eternal pleasure to them. To every departing class the friendships they have formed, the experiences they have undergone, the knowledge they have absorbed, constitutes a part of their lives always to be treasured. One of the pleasing laws regarding the passage of time is that after an experience has aged, only the pleasant sensations remain in the foreground leaving a masterpiece of life.

For the boys and girls leaving the portals of Olmsted High School for the last time, may your lives continue to be the work of masters, deep in spirit, sincere in purpose and strong in character.

Good luck and God Bless every one of you.

Woodrow W. Zinser.

To the Forty Niners;

It is nearly time for you, the Forty Niners, to start your search for "gold" or step out into Life. You represent new hope, new inspirations, new faith and you should be ready to help build high ideals of life. You should be ready to face the future with confidence. All good wishes for success and happiness accompany you. May you find peace and good will as you go forth. I have enjoyed working with you and for you, and thank you for the opportunity of expressing my best wishes for you.

Amelia Harding

It is hard to believe that the years have passed so quickly and that you soon will be graduated. It has sometimes been rugged, never dull, and always a privilege to watch you grow from noisy, wiggling seventh graders to young men and women with poise and assurance and great potentialities. If each of you lives up to the best that is in you, if you hold on to the deep faith that you have now, the world will be a better place because Olmsted Falls' 20th century "'49 'ers" are a part of it.

Since in a way you seem to me like my own children, I can think of much excellent (so it seems to me) advice to give you, but I know that you, like all young people, prefer to learn by experience. So here, instead of advice, are my wishes for you: may experience be a gentle teacher; may you have the courage to face and to overcome the hard things that are bound to be a part of every life; may you have an evergrowing capacity to enjoy the good things that I hope will be predominant in all of your lives; and may God go with each of you, always.

THE 1948 FOOTBALL SEASON

Olmsted Falls started its football season by playing an exhibition game with Chagrin Falls and defeating them with a score of 7 to 0. Our eleven then met Brunswick on our own field, giving them a severe whipping with a 20 to 6 score. With this win tucked under their helmets, the Bulldogs traveled to B. W. Stadium to meet Strongsville who gave our team a rough game. During the first half they piled up a large lead. In the last quarter our Bulldogs woke up; however, it was too late, and we were handed a 39 to 21 defeat. After our fall, we met Westlake on Bay Village's field, where again we were defeated. Olmsted was in the lead until the last quarter, when Westlake pulled two sneak plays, gaining the upperhand, with a score of 20 to 13. Now we began to get mad, and when we met Independence on our own field, we gave them a 21 to 0 beating. Starting to perk up again we met Brooklyn here. This year's game as last, was a landslide. We scored from anywhere and everywhere, slipping them a final score of Olmsted 26 and Brooklyn 6. Now Olmsted was feeling really good as they drove to North Royalton to play a night game with them. The first half seemed to see-saw, but when the game ended Olmsted had defeated Royalton 13 to 6. With three straight wins the Bulldogs met Bay Village, "the county champs to be", on a fog bound field. Because of this heavy fog, the game was delayed for twenty minutes. However, nothing developed, so we went ahead with the game. This, too, was a rough see-saw game. The first half finished in a 0 to 0 tie. The field never did clear, but both teams became stronger in the second half. In the last quarter we made the first touchdown, but failed on the extra point. We held the lead for awhile, but, unfortunately, with two minutes remaining, Bay scored, and also made that extra point, which made the score 7 to 6, which it was at the game's end. With this defeat in mind, also hampered by injuries, our Bulldogs met their long time rival, North Olmsted, on their field, where we were handed a 26 to 0 trouncing. This was the first time in fourteen years that North Olmsted had beaten us.

This ended the 1948 season for the Bulldogs, who will lose eleven lettermen. The members of the team thank their coaches for their help, and hope they can have a winning team for them next year.

BASKETBALL

With eight returning lettermen the Olmsted High Varsity took the hard wood this season led by high scoring George Stallard. The varsity finished third in league play with an eight and four record; however, the team lost two independent clashes and won one of them.

The season started with a smashing victory over Columbia, then a victory over Strongsville. We met Westlake here without the services of Bob Wilmink and incurred our first loss by a narrow margin. We snapped back with victories over Royalton, Brooklyn, Bay, and North Olmsted. Then playing a vastly improved Strongsville team, we lost by four points. In our second meeting with Westlake, we were again defeated. Then we had two crushing victories over Brooklyn and Royalton, the latter 72-33. We traveled to Bay where we were defeated in the last few minutes 45-40. North Olmsted was defeated in short order, but in our third game of the week, we were defeated by Berea.

The dark horse in the tournament, Olmsted drew Solon for the first round and made short work of them 50-22. The team then went on to beat league Champion Bay Village for the second time and advanced to Orange to meet top seeded Russell. Again the team, playing its finest game of the season, won decisively, 47-19. Then came Westlake, who previously held a jinx on Olmsted; moreover, the jinx prevailed, for Olmsted lost by one point in an overtime 39-38.

The squad has Jack Hecker, Bud Burchard, Bill Kolodey, and Walter Brooks returning while losing George Stallare, all-county and player of tournament, Bob Johnston, Bob Wilmink, Pete Blickle, Ted Hall, and Jim Moses.

Their coach, Mr. Boddy, and the members of the team are to be congratulated on their fine record.

TRACK

Coach Doktor will coach the track team this year and should get a good track squad up as he was an outstanding trackman at Lincoln and B.W.

We are planning a larger and stronger schedule of track meets, and we hope to have a very successful season.

BASEBALL

The baseball season should start very well this year as we have eight letermen back to form the center of a very strong squad.

We are in the West Metropolitan league which is proving to be full of rugged opponents. The teams in the league are: Rocky River, Parma, Westlake, North Royalton, and Olmsted Falls.

Coach Boddy will be coaching the powerful nine this year, and we hope to have a winning season.

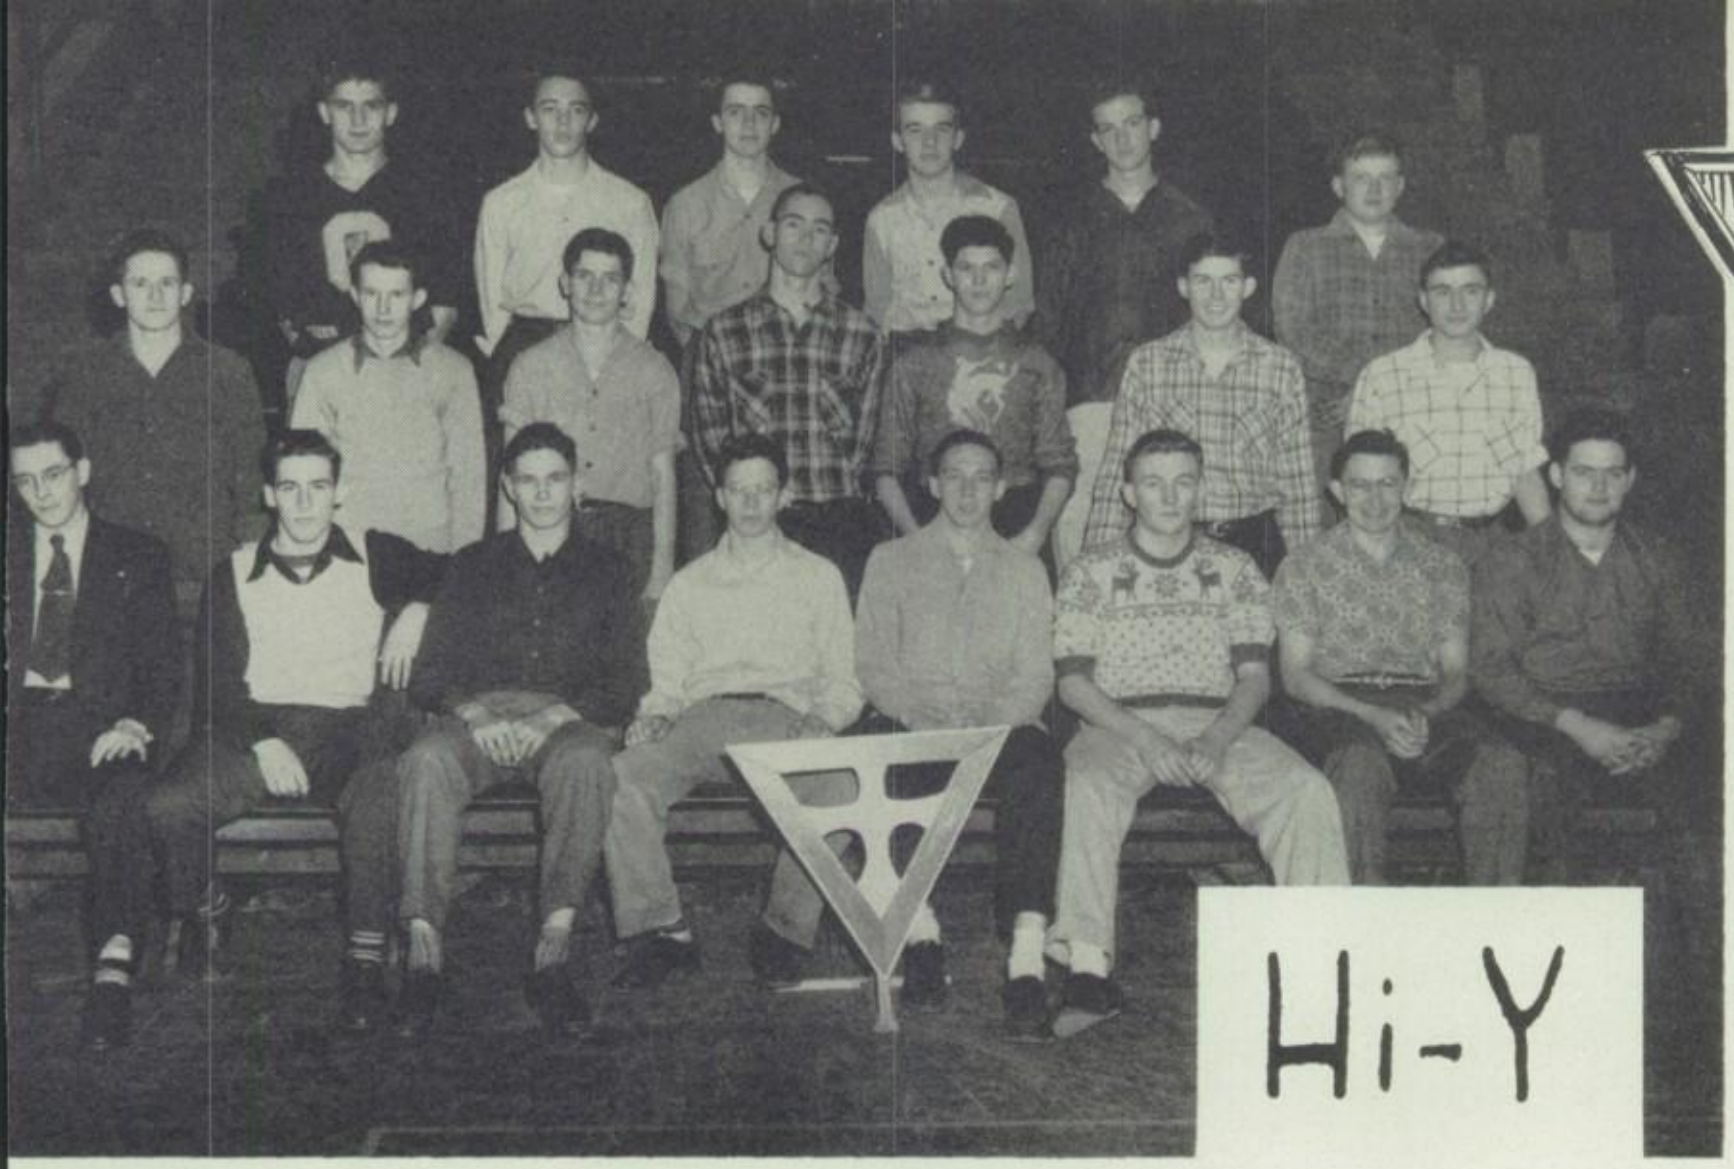
Y-Teens

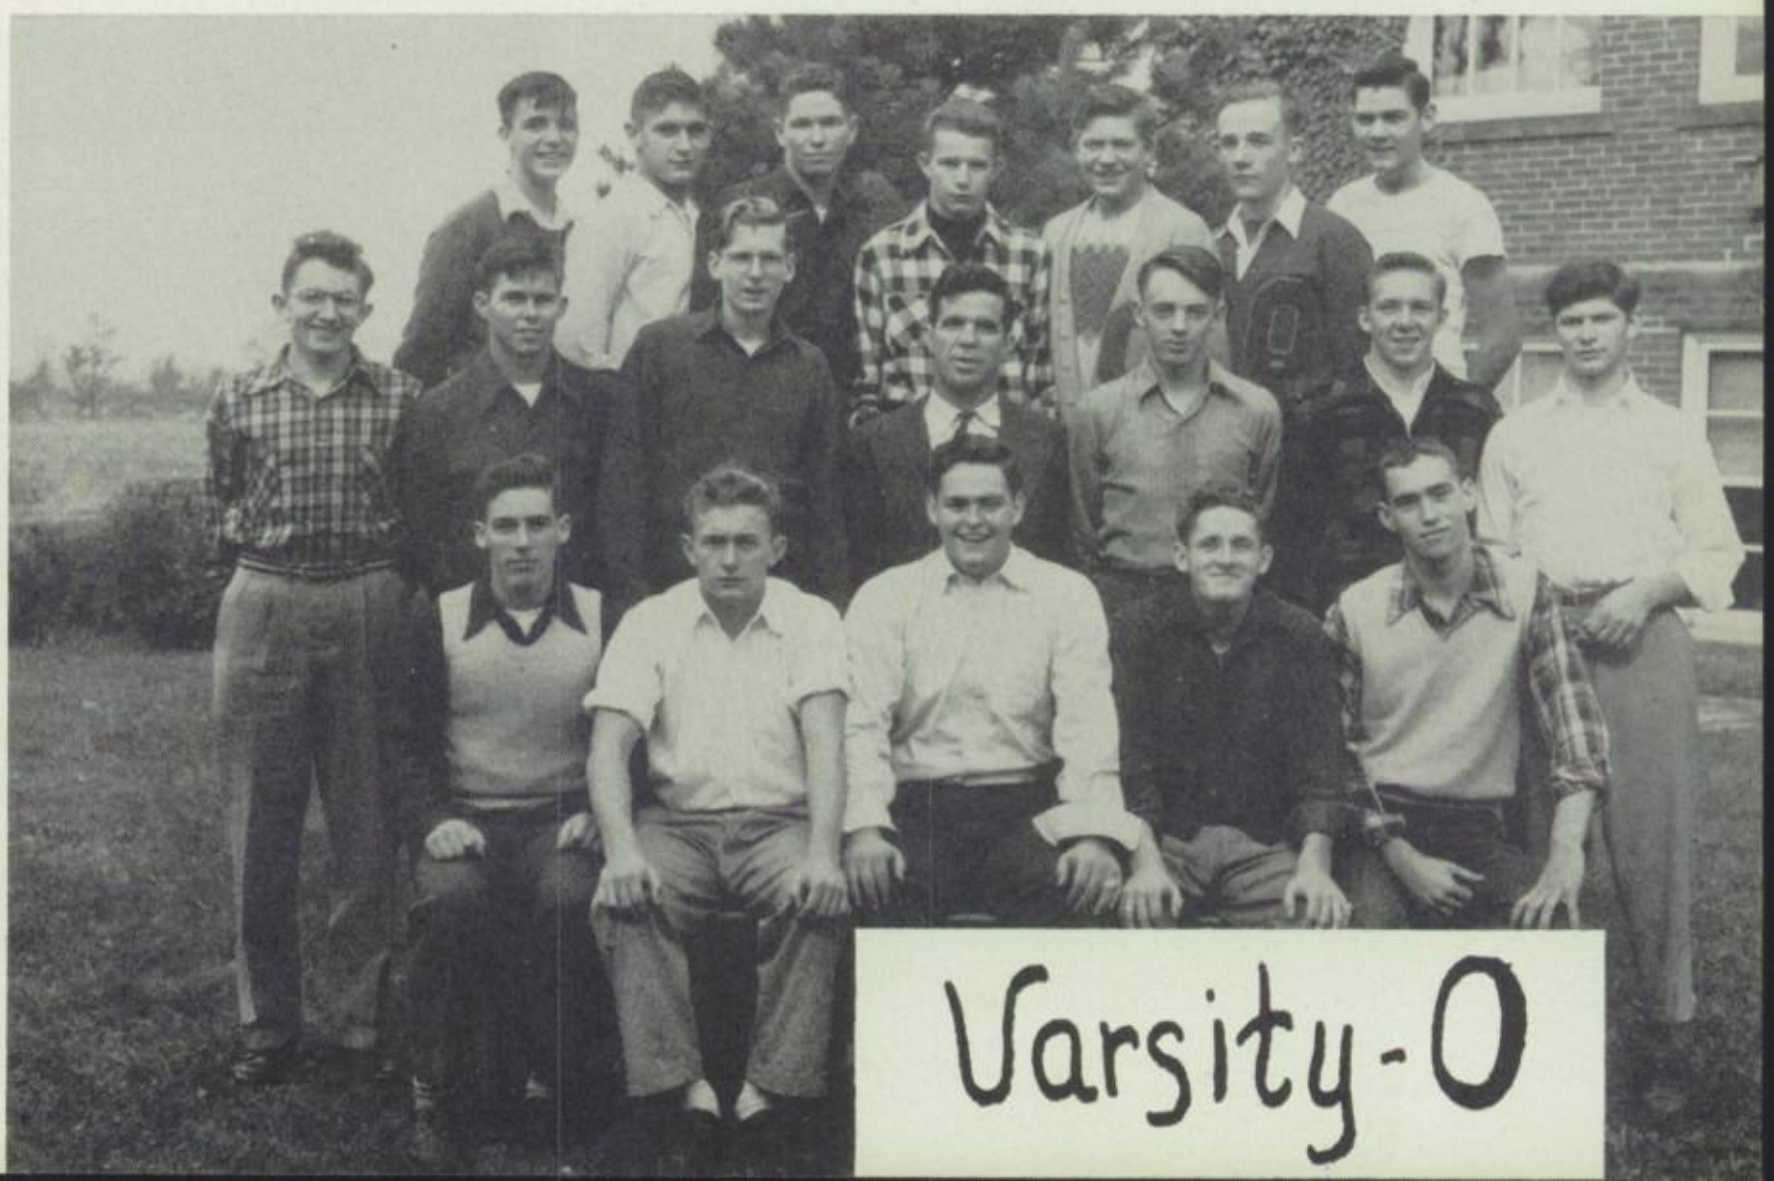
Our Y-Teen Clubs are a part of a world wide organization and work toward two goals which are: to grow as a person in body, mind and spirit; to grow in friendship with people of all races, nationalities and religion. The members of these clubs work together in many activities to help the members reach their goals, as assemblies, dances, teas, and social service projects.

Junior Y-Teens



The Hi-Y club, too, has standards of Christian character as a part of its goal. In addition to this, they have fun together in initiations and games.

The Varsity-O consists of boys who have earned their letter in varsity athletics. Football, basketball, baseball, and track are represented. The club sponsors dances after home basketball games, various activities for its members, and gives gold awards to graduating lettermen.

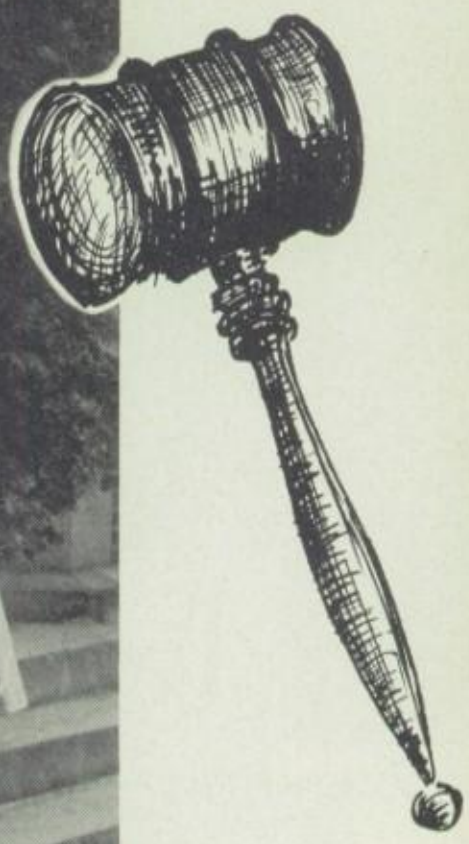


Commercial Club

The Commercial Club, organized only two years ago has grown until it now has thirty-three members. The purpose of the club has been to provide further commercial education for those who so desire.

It has for its accomplishments the promotion of a school magazine, football and basketball programs, and a summer directory. The members take time out for a little fun too, such as visiting various newspapers, and holding their annual Christmas Party.

Senorio Staff



Student Council

Each class elects representatives to serve on Student Council which acts as a bridge between the administration and the pupils. Among other things it provides the pins awarded to members of the Student Merit Society, maintains hall guards, helps choose assembly programs, sponsors the annual May dances, and oversees elections of class officers and cheer leaders. This year for the first time, it sponsored a play party for all grades, helped with a paper sale, had a clean up committee for the grounds, and provided checkers for the library.

The aim of the National Honor Society is to inspire leadership and scholastic standing among the students of the high school. Among other activities this group takes part in the National Honor Society Scholarship Test given in the spring.

CLASS HISTORY

After twelve long years of prospecting the class of '49 has reached the pot of gold. Let us take you over the rugged trail which has brought us thither.

The original old-timers who staked our claim in 1937 were Glenn Barber, Dale Danalds, Jo Jenkins, Evelyn Klinect, Dick Martin, Kathleen Matelski, Doris Stone, Theresa Surman, and Ruth Theman. We loaded our voyages under the supervision of Miss Cook and Miss Bonsey who led us two years on our journey during which we were joined by Dolores Jocke and Barbara Offenberg.

We pulled successfully through the third year with Miss Szabo, our new additions being this year Bob Johnston, Mary Riolo, and John Yesenko.

Our train grew larger with four newcomers the following year: Pete Blickle, Lois Canant, Gayle Gillaspy, and Greta Wheeler. Miss McClellan led our caravan.

The news of our venture began to get around so that in the fifth year we received five additional searchers: Louise Centers, Rosemarie Ferrito, Carol Geisel, Leroy Pearston and Ray Rooney. This year marked the division of our train, its guidance given to Miss Hansen and Miss Baesel.

Half way across the continent in the sixth year Leonard Brooks, David Campbell, Ann Goodall, Ted Hall and Mary Lou Landphair joined us on the bank of the mighty Mississippi. Mrs. Williams and Miss Snyder combined efforts to guide us across leaving on the eastern shore memories of "Hansel and Gretel" and "The Nutcracker Suite".

The seventh year Miss King and Miss Bauer proudly helped us on our western journey. We met Frank Samsel in this year.

Our trail crossed with Mrs. Williams' and Miss Baker's as we began our eighth year. Barbara Brennan joined us at its ending.

We entered our ninth year under Mr. Dallas and Mrs. Turner full of expectancy, the best part of the trail yet ahead. Our number increased by five this year, the new names being Nancy Butzman, Margaret Jaeger, Joyce Smith, George Stallard, and Rita Torgerson.

Seasoned veterans we were as we entered the tenth year with Mrs. Turner and Miss Reiser to guide us. We hailed Tom Stetz, our only newcomer.

We met Ruth Sauble and Bob Wilmink at the foot of the Rockies with but two more years to reach the coast. With our journey's end so near we stopped to celebrate at the Lake Shore Hotel. This year we could be identified by our rings and sweaters bearing the pick and shovel emblem, our symbol. This was a year to remember, highlighted by many successful escapades. Our advisor, Mr. Dallas, is rumored to be recovering nicely.

Gold! The treasure is ours at last. We come weary but with gladdened hearts to reap the golden harvest of our twelfth and last year. With Miss Harding and Mrs. Blickle we traverce the last few miles separating us from our long sought after goal. With us today are Gloria Jorgensen and Rosalene Dorsey who joined us as we began this year.

The road has been rugged but always brightly lighted. We reach the trail's end with fond memories of our adventures therein.

JUNIOR PLAY

The "Forty-Niners" demonstrated their acting ability when they presented "Boy Wanted", a comedy in three acts, as their Junior Class Play. They sent the audience into gales of laughter over their portrayal of a group of students who managed to get themselves into all kinds of trouble. Both the cast and the audience had a very enjoyable evening.

SENIOR PLAY

Our Senior Play "Love Is Too Much Trouble," is a farce comedy in three acts dealing with the life and loves of the college crowd. The thing that makes it different from previous plays is its setting, which is the local college hang-out called the Poison Pot. It is here that all the action centers and finally comes to its happy though slightly mixed-up ending.
